

## Sonny's Top Brass

Sonny truly was an awesome horse and a true representation of an Appaloosa. Anyone who knew him loved him, but not as much as his owner, Amy Johnson.

Sonny and Amy started showing when Amy was 12. She did not like him at first, but after their first show together and their wins, it was hard to separate the two of them. Sonny lived the rest of his life with Amy, and for 17 years, he was looked after very well and loved very deeply.

During his show career, Sonny amassed numerous awards, including ROM's in halter, youth geldings, and most colorful at halter in 1995-96. Between 1994 and 1996, Sonny and Amy took home 14 high point and reserve high point OAHA year end titles. By the end of his career as a show horse, Sonny had earned almost 100 ApHC National points in various open, youth and non-pro classes.

Sonny's Top Brass was laid to rest in August, 2011 at the age of 27 years old.
